Student Union Computer Science

FSI Computer Science

Universität Erlangen-Nürnberg

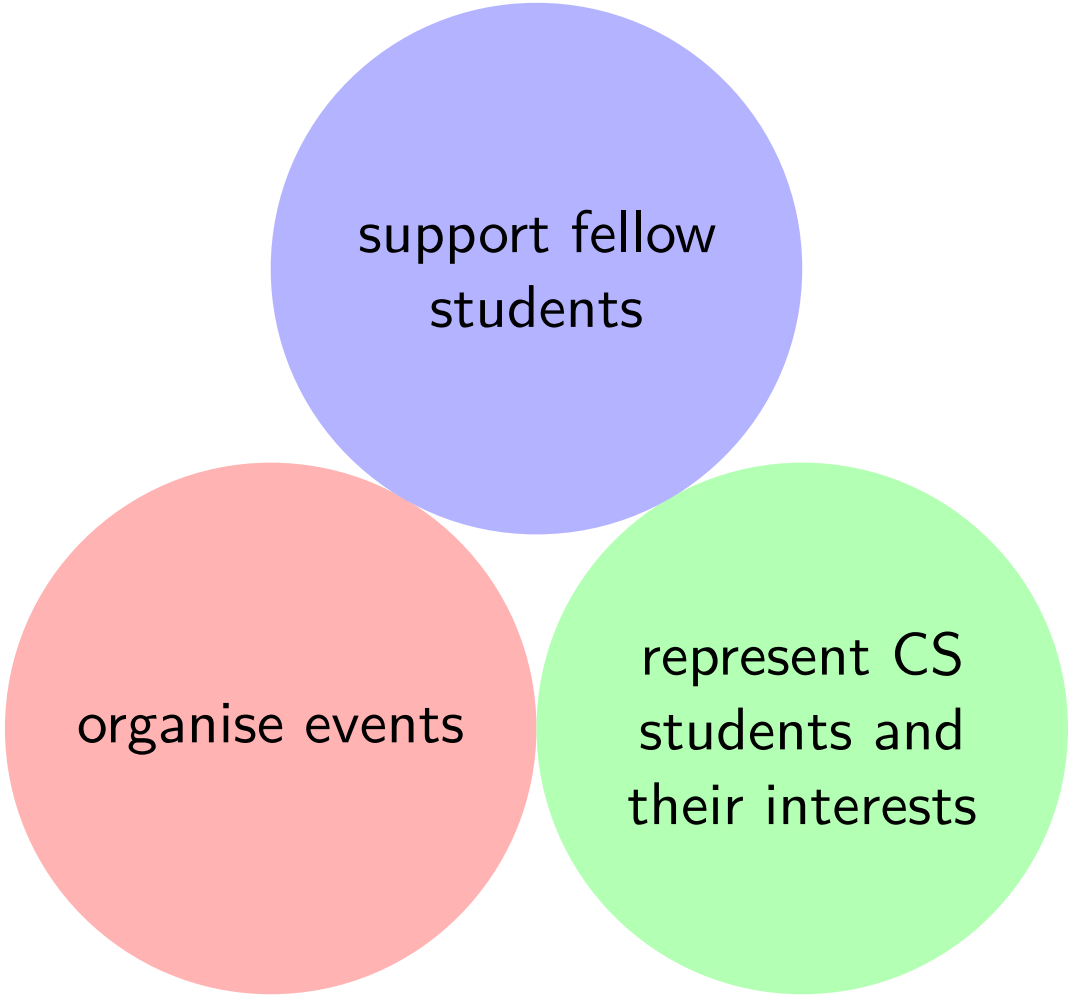
April 2021

What's a Student Union?

The Student Union Computer Science (in German FSI)

- motivated students of computer science of all semesters
- approx. 20 members

Activities



support fellow students
organise events
represent CS students and their interests

FSI-Forum

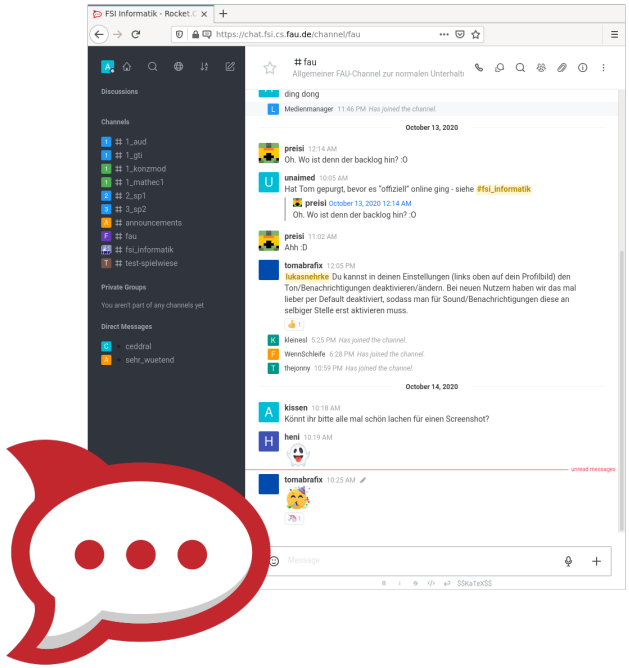
- help with assignments
- preparation for exams
- news from the university
- job offers
- . . . or just chatting :-)

https://fsi.cs.fau.de/forum

FYI: your forum account is also your wiki account

Rocket.Chat

- virtual meeting place in times of social distancing
- chat and socialise with fellow students
- register with your @fau email address, pseudonym welcome



https://chat.fsi.cs.fau.de

Collection of Exams

Old exams:

- tab „Prüfungen“ on our homepage
- master copies in our office

Braindumps:

- protocols of oral and written exams
- „*contract between generations*“:
  upload memory-records of your own exams

Proposed solutions:

- team effort via forum or RocketChat
- listed on our homepage (also under „Prüfungen“)

Our Natural Habitat – the FSI Office

Our door is (almost) always open

→ Currently available 24/7 via RocketChat

Events

Welcome events

- Linux-course, virtual games night, get-togethers and more
- see `https://fsi.cs.fau.de/ese` for upcoming events

What else?

- lightning talks, Christmas parties, LAN- and Crypto-Parties, ...
- organised by whoever's interested and motivated
- announcements via forum and homepage

FSI & University Politics

We advocate for

- lecture recordings
- open access of all teaching materials
- active participation in committees all around university ;-)

Individual support

- contact to professors
- in case of conflicts
- regarding questions about your studies

Interested?

You can participate in different ways:

- join our weekly (virtual) meetings
- organise events
- offer support for your fellow students
- become a member of a university committee
- join the elected students' representation

Support us in other ways:

- upload protocols of your exams
- notify us in case of interesting events

Student Initiatives

Or join other initiatives for your interests:

Robotics Erlangen

FAU FABLAB

IAESTE
LC ERLANGEN
